The dwelling house of E. F. Howes, near Paintsville, was burned last week. This was a large, handsome home, and the loss is said to be total, but whether or not it was insured we did not learn.

The people of Russell want a good water supply, and they are going to have it soon. Men here who have the means at hand to do it will insist on this privilege. It should be given, and if the present council will not give it, one will be chosen that will do so.—Democrat.

Death due to pneumonia ended the long and beautiful life of Mrs. Mary A. Fullerton, one of the best known residents of Fullerton, Ky., after whose husband, J. H. Fullerton, the little village received its name. Mrs. Fullerton passed away quietly, at her home, after an illness of scarcely seven days duration, at 7 o'clock Wednesday evening.—Russell Democrat.

Pikeville, Ky., Jan. 11.—Mrs. Josie Hereford-Elliott wife of W. K. Elliott, passed away Saturday morning, after a long and lingering illness caused by cancer of the stomach. She leaves a husband, 2 sons, about 15 and 5 years of age, and a daughter aged 13, mother and several brothers. She was highly and widely connected throughout the Big Sandy Valley, and had lived here many years.

Vanceburg, Ky., Jan. 8.—Ben Bannville, formerly of Vanceburg, brought the remains of his daughter, Mrs. Lettie Crouse to this city and they were buried in the Vanceburg cemetery.

Mrs. Crouse was a beautiful girl of 23 years of age, and had been employed in a candy store in Calumet, Mich., and with another young lady slept over the store. Saturday night a gas pipe in the room sprung a leak after they had gone to bed and when found the next morning, both of them had been dead several hours.

A. W. Kozee, well known as "Uncle Wiley," died at the home of his nephew, John Everman, three miles north of Pikeville Tuesday morning at 2 o'clock, from blood poison, superinduced by scrofula, from which he had suffered many years.

Mr. Kozee was sixty-one years of age, and a most honorable and upright citizen. He was Deputy County Clerk at the time of his death and was making his home with County Clerk Fuhs, at his town residence.

Paintsville, Ky., Jan. 8.—Meredith Brown, who was in jail here on a misdemeanor charge, while Jailer

George Spears was serving supper for the prisoners to-night, knocked Spears in the head with a brick concealed in a stocking leg and rushed out of jail over the prostate Jailer into the street. Spears quickly recovered, drew his revolver and began quick pursuit. Brown had armed himself while in jail and a lively pistol fight ensued between him and the Jailer, in which the Jailer was seriously wounded in the thigh. The Jailer kept up the pursuit, however, and was soon joined by Sheriff C. W. Ford, who fought at close range with the fugitive.

The town Marshal soon joined in the fight, but the prisoner had escaped over the Seminary Hill, where he was finally re-arrested in the public highway by a man with an empty revolver. The prisoner is now safely in jail. Spears is in a serious condition.

Pikeville, Ky.—Dr. Z. A. Thompson has returned from Cincinnati, where he accompanied Mr. and Mrs. Tyler, who will remain for some time. Mrs. Tyler having undergone a successful operation for tumor. Mrs. Tom Buskirk is also there, having been accompanied by her husband. She has undergone a most serious operation, a feature of which was the removal of the appendix. Her case is reported as more serious than that of Mrs. Tyler. Master Frank Connolly was accompanied by his step-father, T. N. Huffman, and his case is reported as of a most serious nature, necrosis of the bone having made serious ravages. This is a most pathetic case, and relatives and friends of this bright little fellow are hoping for the very best. Messrs. Tyler and Buskirk are expected home soon.

The work on the bridge is going rapidly on, and, unless the weather becomes too severe, it will soon be completed.

Keenas Pinson, who left here five years ago to make his home in Los Angeles, Cal., and has prospered there, was called to his father's home in Williamson, W. Va., a few days ago, on account of the illness of the latter, who since died.

J. C. Pinson, of Pike county, who had been ill for sometime at the home of his daughter, Mrs. B. F. Whitaker, of Williamson, W. Va., died recently. His remains were taken to his old Kentucky home for interment. Mr. Pinson was identified with the Primitive Baptist church and God in that faith. His children were with him at the end, one of them, Keenas Pinson, having just recently come back from California to see his father.

Harrison Moore, John Hall, Hershel Boyd, Hansford Meeks, and Frank Lewis, of the Whitehouse neighborhood, were arrested by Detective Dan Price, and brought before Magistrate John M. Spradlin, to answer a charge of breaking into the express office at Whitehouse and carrying away six boxes of whiskey. The defendants waived the right to an examining trial and were held to answer the action of the grand jury of Johnson county.—Paintsville Herald.

"I CAN recommend Peruna as a good medicine for chronic catarrh of the stomach and bowels. I have been troubled with it severely for over a year, and also a cough.

"Now my cough is all gone, and all the distressing symptoms of catarrh of the stomach and bowels have disappeared.

"I will recommend it to all as a rare remedy."—Mrs. F. E. Little, Tolono, Ill.

"I HAD catarrh of the stomach, bowels and lower internal organs. Had a great deal of pain in my right hip, which felt like rheumatism. Also, pain in my internal organs. The water was highly colored, my back was weak, was constipated, and very restless. "I commenced to take Peruna according to directions, and began to improve. I have taken ten bottles of Peruna and think I am cured."—Mr. W. C. Hemphill, Louisville, Miss.

MRS. H. G. GREEN and family, of Lewis Creek, Ind., write: "We cannot express to you our thanks for what Peruna has done for mother.

"When she began your medicine she was not able to be up all day, but now she is helping with the work and as yet has gone on a visit. Her health is improved in general. No dizziness. Good appetite. Sleeps well and looks well."

"BY following your instructions and taking your Peruna and Manalo I am cured of catarrh.

"I had catarrh for twelve years and quite a bad cough so I could not sleep nights. I do not have any cough now. If I feel anything in the throat I take a swallow of Peruna and I am all right."—Mr. W. D. Smith, Sr., 2140 Forest St., Fort Huron, Mich.

The Herald is now the only paper published in Pike county, Mr. S. S. Cassidy having moved the Plain Dealer plant to Morehead, where soon he will begin the publication of a newspaper in the county seat of Rowan.

Misses Emma Wallace and Georgia Brown attended the New Year's ball at Pikeville.—Paintsville Herald.

At 2:30 a. m., Wednesday morning the building occupied by Varney and Frazier as a saloon, on Front street, Catlettsburg, was discovered to be ablaze and before the fire department could arrive at the scene of the fire and get its force and equipments in thorough working order, the hopes of saving the building from a total wreck, were totally vain.

The building burned down and the stock and the fixtures were destroyed. By heroic effort, the fire department saved the adjoining building.

Loss to the building is about \$5,000, partly insured for \$1,200. The stock and fixtures were covered by \$1250 insurance.
